

Your general shaving tool manufacture - building trust through exceptional craftsmanship combined with state of the art machine technology.

### スローアウェイ・タイプ

**Application** : 一般鋼・合金鋼・ステンレス鋼など / Low carbon mild steel & alloy steel in solid material

**Recommended speed** : 70 - 160RPM \* Depends on diameter

**Feature**

- 加工時間の短縮による生産性の向上 / Improvement of Productivity due to time reduction
- 独自の刃型形状により一層美しい切断面を実現 / Unique tooth geometry brings excellent cut surface

---

## SS-T series Throw Away Type

**SPECIFICATION OF COLD SAW BLADE**

スローアウェイ・タイプ： Throw Away Type

unit : mm
